

2018 AGNES WATER *Bendigo Community Bank* TRIATHLON

Firstly I would like to congratulate all the competitors who competed in both the 2018 Triathlon and Aquathlon events over the weekend.

You would have seen me running around taking as many photos as I can, so I can give back memories of your competition here in beautiful Agnes Water/1770. I'm sorry if I missed anyone as it is hard to capture every competitor.

I have created online album links for you to view and if you would like to purchase any images I have an order form attached. I offer the images as a download so you can print off as many images as you like and give them to family and friends.

All images have a watermark on them. When emailed back to you all watermarks will be removed as a high resolution file for you to use for any printing.

Please view my price list and order form attached. If you have any queries please call or email.

I am passionate about capturing those special moments of our children competing and most of all having fun with their sporting event.
